## Two Wheeler Not Permitted For Students

Dear Parents,

Please Note and Comply.

1. Allowing children below the age of 18 years to ride two wheelers to commute to and from school is an offence as per law, that too without Driving License and Helmet. In the said case, as per the law not only vehicle can be impounded but also it is dangerous for the life of student who is riding and for others too.
2. Parents are requested not to allow their ward/s to come to school on two wheelers (self driving case). The school strongly objects to this practice. Parents are to drop their ward/s on their own to school if they want to come on their own or may opt for school transport (purely optional) or students may travel by cycle.
3. Parents are advised to take a note for the same and take desirable action keeping in mind the safety of the children. The school shall not be responsible for any kind of untoward incident that may happen (high probability) in the said case. The school is not at all responsible for any kind of loss that may happen to the vehicle standing outside the school boundary.
4. Parents must remember in case any untoward incident if happens while children are operating two wheeler on their own, parents would be held responsible (in legal terms) for the same and they may have to face the legal action too as per law of the land.

Kindly pay heed to the sincere advice for the safety of the students.
